

## **WOU Rugby Alumni Financial Hardship Program**

Modeled after the Emergency Student Aid program that is offered through the Office of the WOU VPSA, the WOU Rugby Alumni Financial Hardship program strives to provide financial support to students that are facing significant financial hardships and/or emergency needs. As funds allow, the WOU Rugby Alumni will provide needs-based financial support to deserving individuals through this program.

**Eligibility:** In order to be eligible, an individual must be a currently enrolled WOU student in good standing with the WOU Women's+ or Men's Rugby team, or a former member of either team that is attempting to return to WOU to finish a bachelor's degree.

**Application & Review Process:** All requests for financial support through this program must be submitted to the Executive Director of the WOU Rugby Alumni. Requests will be reviewed by a committee that must *always* include the Executive Director of the WOU Rugby Alumni and the Associate Director of Campus Recreation at WOU. Any additional members of this committee must be WOU Rugby Alumni and they must be appointed by the Executive Director.

For information on how to apply, contact WOU Rugby Alumni Executive Director Mike Gonzalez
