## Facility Charges & Waivers

### Western Oregon University Reservations

Any event organized by a department or organization of Western Oregon University, and attended primarily by students, faculty, staff, or alumni of the university fall into this category. In addition, any event that has a significant potential to serve as a significant recruitment tool for future WOU students will fall under this category (Admissions or administrative recruitment events). Reservations will be made through the Facility Scheduling Manager, Department of Student Engagement, [reservations@wou.edu](mailto:reservations@wou.edu). A waiver of fees form must be on file to be eligible for discounts. This form can be found at: [wou.edu/ces/resources/](http://wou.edu/ces/resources/)

### WOU-Sponsored Reservations

WOU-sponsored reservations are events affiliated with Western Oregon University which support the mission of the university. These reservations should be made through Conference and Event Services, [conferences@wou.edu](mailto:conferences@wou.edu). The majority of the participants are not WOU students, faculty, staff, or alumni. The event may not be a direct recruitment opportunity for prospective WOU students. Conferences, seminars, workshops, alumni events, etc. all fall under this category if a significant portion of the attendees are not affiliated with WOU. Discount rates may be applied to these types of events if the university department or organization hosting the outside group is significantly involved in the overall planning and/or implementation of the event. A waiver of fees form must be on file to be eligible for discounts. This form can be found at: [wou.edu/ces/resources/](http://wou.edu/ces/resources/)

### Non-Affiliated Reservations

Non-affiliated events are not a part of Western Oregon University's general business and are primarily outside groups or individuals wishing to conduct an event and utilize WOU facilities. This includes outside-sponsored conferences, receptions, performances, fundraisers, dances, quinceaneras, weddings, etc. Discount rates may be applied if organization hosting is an educational, public service, or non-profit group. A waiver of fees form must be on file to be eligible for discounts. This form can be found at: [wou.edu/ces/resources/](http://wou.edu/ces/resources/)
