Time	Agenda Item	Who	Outcome/ Follow-up
3:50pm	Begin Meeting, Review Previous Minutes	Rob Troyer and all members	Minutes approved
	President Fuller's input on SA and INLT students	President Fuller	<p>Fuller expressed his experience regarding Study Abroad and international students in the US.</p> <p>Emphasis of his short talk was on the role of faculty in:</p> <ul style="list-style-type: none"> *Promoting Study Abroad *Increasing international student diversity by creating pipelines for international students to enter WOU <ul style="list-style-type: none"> -in these cases, faculty must understand the need for coordination through WOU -barriers to making these connections: <ul style="list-style-type: none"> language/communication to coordinate with institutions abroad information for our faculty about what they can do details of transfer credits can be complicated
	Review Proposal	Ermie Buncal	<p>Biology Dept has approved the faculty-led Galapagos program.</p> <p>Question was raised about the vendor, but Ermie verified the quality of the vendor and added that other vendors are semester oriented but the one selected can work on the quarter system, and Biology Dept vetted the vendor also.</p> <p>-For viability, minimum 8 students per WOU faculty. 2 faculty want to go—1 could use Faculty Development funds.</p>
