Time	Agenda Item	Who	Outcome/ Follow-up
3:55pm	International Student Report	Neng Yang	<p>This year the number of International Students is up by 47, more than last year at this time.</p> <p>We are optimistic that the new President at WOU will be supportive of International and Study Abroad programs. WOU has a higher percentage of International Students than President Fuller had at his previous institution.</p>
	Study Abroad Report	Ernie Buncal	<p>Generally there are the same as 3 years ago.</p> <p>In order to promote Study Abroad on campus, there will be a representative for Study Abroad at all future SOARS days.</p>
	Peace Corps		<p>There is a request from Sara Castle, who is a recruiter for the Peace Corps in Oregon, to have an on campus "ambassador" at WOU. The idea is to have a WOU student act as a liason to Sara. This would be an unpaid internship for the student.</p> <p>After some discussion outlining which division or department would be best suited to supervise this sort of internship; this was referred to the Career Development Office.</p>
