

## Faculty Senate President's Report June 9, 2020

**1. Curriculum:** none new

**2. Senator Number Calculations:**

Faculty Senate Executive Committee is working over the summer to analyze numbers of faculty in each division and update the numbers of allotted senators, if necessary. Current numbers of Senators by Division can be found at: <https://wou.edu/facultysenate/membership/#senators>

**3. Campus Climate Survey Analysis and Report:**

The Research Institute (TRI), including Sybille Guy, Pat Aldrich, and Beryl Neequaye, has completed their analysis of the Campus Climate Survey, given to faculty, staff, and administrators in May 2019. They found this survey to be representative of our campus personnel. Their analysis and recommendations for our campus will soon be available to all faculty and staff, likely via our WOU Portals.

**4. Committee Reports due from each Faculty Senate & Ad Hoc Committee:**

A reminder that End of Year Summary Reports are due from each FS Committee and Ad Hoc committee that met this year. These reports may be sent to [fspresident@mail.wou.edu](mailto:fspresident@mail.wou.edu). Reports should be **one page maximum and give highlights** of the committee's work this year, 2019-2020. To see examples of previous submissions, please see: <https://wou.edu/facultysenate/reports/>

**5. Task-force regarding time for Program Assessment and Cultural Competency Training:**

FSEC is forming a task force between now and Fall 2020 to examine the best times/mechanisms for providing faculty time for meaningful Department and Division Assessment as well as Cultural Competency Training.

Interested to serve of this forming task force? Email [fspresident@mail.wou.edu](mailto:fspresident@mail.wou.edu)

**6. A message to Faculty Senate from Maren Anderson, Managing Editor of PURE Insights:**

Hello! We wanted to announce that *PURE Insights* has extended its submission deadline to JULY 1, 2020, and ask that you please encourage your students to submit their work.

*PURE Insights* considers:

- submissions from upperclassmen and underclassmen, FYS, and projects in different languages.
- **creative work** like fiction and poetry from the Peter Sears Poetry Prize.
- **Non-text-based work** like
  - video of theater and dance performances of original or public-domain work
  - stills of artwork and video of portfolios
  - ASL projects

Please contact Maren Anderson if you have questions about *PURE Insights*. [insights@wou.edu](mailto:insights@wou.edu)
