

## HOW-TO: REVIEW PROPOSALS

**STEP 1: Open Curriculum using the link in Portal, from the email notification you received, or from the agenda you received.**

- From the main Curriculum page you can click the **My Tasks** tab to see all of the proposals that you may review

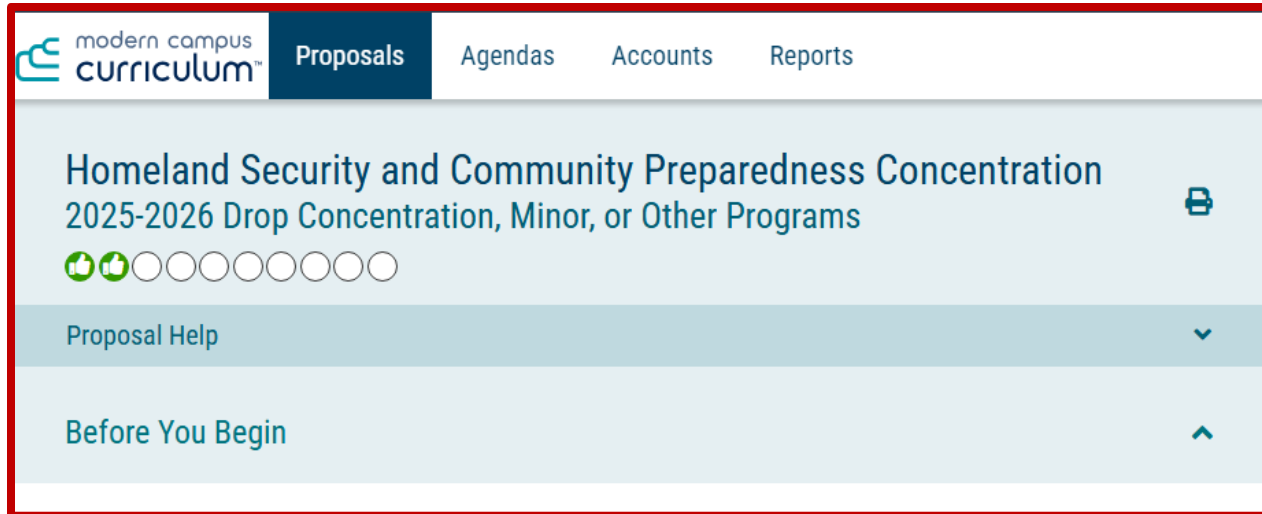

**STEP 2: Open the proposal by clicking on it**

**STEP 3: Look to see if the proposal is one that may require a corresponding proposal:**

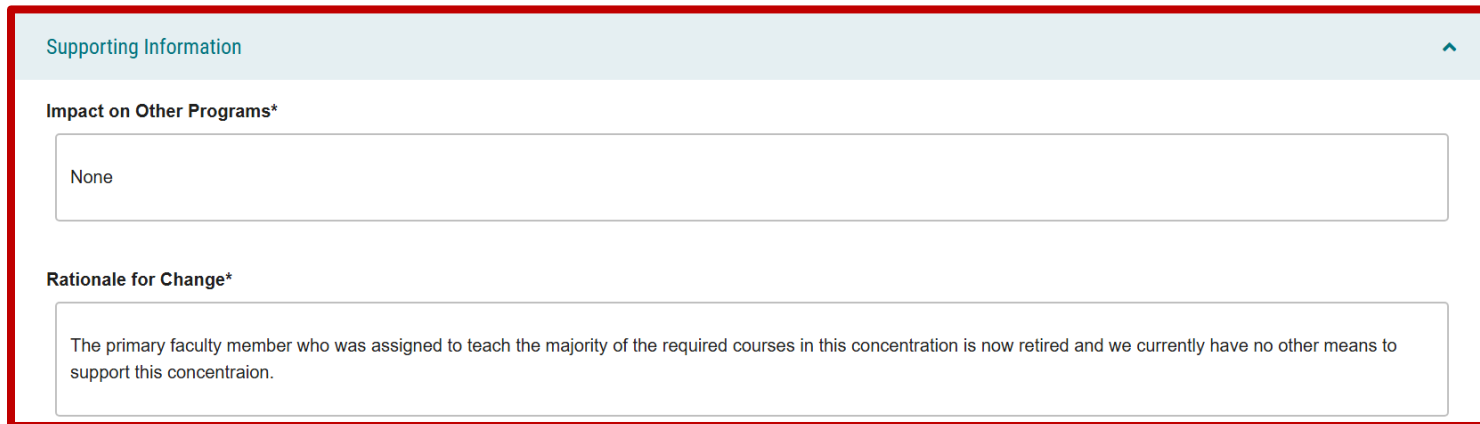

- Is the request related to any other requests? Here are some examples to look for:
  - A course is being dropped and it is used elsewhere in a program and/or as a prerequisite for another course, corresponding proposals are needed to update the program/course impacted by the course being dropped
  - A concentration is being dropped from a major, a corresponding program change is needed to remove the concentration from the list of concentrations in that major
- If the corresponding proposal does not exist inform the Office of the Registrar. We try to move corresponding proposals forward as a group, but if we miss something please let us know

## HOW-TO: REVIEW PROPOSALS

- Review related proposals as a group in relation to one another

The screenshot shows the top navigation bar of the Modern Campus Curriculum system. The 'Proposals' tab is active. Below the navigation bar, the main heading reads 'Homeland Security and Community Preparedness Concentration 2025-2026 Drop Concentration, Minor, or Other Programs'. To the right of the heading is a print icon. Below the heading is a progress indicator consisting of two green thumbs-up icons followed by seven white circles. Underneath are two expandable sections: 'Proposal Help' with a downward arrow and 'Before You Begin' with an upward arrow.

The screenshot shows the 'Supporting Information' section of a proposal. It contains two text input fields. The first field is titled 'Impact on Other Programs\*' and contains the text 'None'. The second field is titled 'Rationale for Change\*' and contains the text: 'The primary faculty member who was assigned to teach the majority of the required courses in this concentration is now retired and we currently have no other means to support this concentraion.'

The screenshot shows a curriculum preview for 'Criminal Justice, B.S.'. On the right side, there is a toolbar with icons for print, a dropdown menu, and a red diamond icon. A tooltip is visible over the red diamond icon, which reads 'Show Curriculum Preview with Markup'.
