## Clinical Observation Form SPED Licensure

Candidate Name:	
Name of Observer:	
Date of Observation:	_
Date of Post Observation Debrief	

## Items 1-7, "Lesson Plan Look Fors"

- 1. Are the learning goal, short term learning objective, CCSS and communication skill aligned with the focus learner's IEP goal?
  - Meets Expectations
  - Emerging
  - Not Observed
- 2. Are the learning goal, short term learning objective, and communication skill measurable, and does the short term learning objective have a defined criteria?
  - Meets Expectations
  - Emerging
  - Not Observed
- 3. Did the candidate utilize data to inform instructional planning and practices?
  - Meets Expectations
  - Emerging
  - Not Observed
- 4. Do listed supports and materials demonstrate an understanding of best practices for teaching learners experiencing disabilities?
  - Meets Expectations
  - Emerging
  - Not Observed
- 5. Do instructional decisions and strategies, including assessments, align to focus learner's IEP goal?
  - Meets Expectations
  - Emerging
  - Not Observed
- 6. Do instructional decisions and practices demonstrate an understanding of the learner's cognitive, academic, and social emotional needs?
  - Meets Expectations
  - Emerging

- Not Observed
- 7. Does the progression of the lesson demonstrate an understanding of instructional decisions aimed at increasing learner independence?
  - Meets Expectations
  - Emerging
  - Not Observed

Evidence for Planning:			

## 8-13 "Instructional look fors"

- 8. Opening Includes:
  - Method to capture learners' attention
  - Building on learner's previous knowledge
  - Establishing connection with learner's lived experiences
  - Articulating learning target
  - Not Observed
- 9. Candidate displays an understanding of best practices for the learning environment by demonstrating:
  - Management/design of physical space
  - Management of materials
  - Time management and lesson pacing
  - Strategies designed for learner engagement
  - Not observed
- 10. Candidate establishes safe, productive and positive communication by demonstrating:
  - Learner rapport
  - Skill Specific Feedback
  - Language aligned with school or classroom expectations
  - Not Observed
- 11. Candidate establishes a safe, productive, and positive learning environment by demonstrating:
  - 1. Clear communication of directions and procedures
  - 2. Differentiated supports based on learners' needs (visuals, modeling, manipulatives etc.)
  - 3. Effective behavior management techniques
  - 4. Effective sequence of instruction
  - 5. Not Observed
- 12. Where appropriate, instructional strategies and materials used...
  - 1.Promote active engagement

- 2.Promote critical thinking and problem solving skills
- 3.Demonstrate connection to learners' lives
- 4.Demonstrate real world use and relevance
- 5.Utilize technology
- 6. Not Observed
- 13. Where appropriate, instructional strategies and materials used...
  - 1.Engage learners in use of previously learned knowledge
  - 2.Engage learner in interdisciplinary connections and generalization of skills
  - 3.Use a variety of social language to expand learner's communication with various audiences
  - 4.Use a variety of academic language to expand learner's communication with various audiences
  - 5. Not Observed

Evidence of Instructional Look Fors & Effectiveness.				

## 14-19 "Assessment and Closure"

- 14. Feedback given to learners:
  - 1.Promotes independence
  - 2.Promotes self correction
  - 3.Promotes social and academic growth
  - 4.Includes positive and corrective statements
  - 5.Includes various levels of prompting
  - 6. Not Observed
- 15. Lesson closing includes:
  - 1.Review of learning objective and/or learning target
  - 2.Instructions for the next transition
  - 3. Not Observed
- 16. Candidate utilizes formative assessment techniques to:
  - 1.Monitor learning
  - 2.Adjust instruction in real time
  - 3.Inform further instructional choices
  - 4.Provide data for progress monitoring
  - 5. Not Observed
- 17. Candidate engages in and demonstrates understanding of high leverage, evidenced based practices.

<ul> <li>18. Lesson design and implementation connects to learners' personal, community, or cultural assets</li> <li>Meets Expectations</li> <li>Emerging</li> <li>Not Observed</li> </ul>
<ul> <li>19. Lesson shows evidence of collaboration with colleagues in regards to planning and implementation</li> <li>Meets Expectations</li> <li>Emerging</li> <li>Not Observed</li> </ul>
Evidence of Assessment and Closure:
Please share one or two strengths of the Teacher Candidate:
Please share one or two specific observable goals for the next scheduled observation:

Any additional feedback for the teacher candidate?

Meets Expectations

Emerging Not Observed
